

## Education

- Santa Catarina State University - Joinville, Brazil - Undergraduate in Computer Science (2017)  
*Graduating in the Graduate Program in Applied Computing (master degree) (defense on August 22)*
  - Teaching assistant of Formal Languages by two years
- Participated at Hilbert Bernays Summer School on Logic and Computation 2016 and 2018

## Languages

	Listening	Reading	Speaking	Writing
Portuguese	Native	Native	Native	Native
English	Proficient	Proficient	Moderate	Moderate

## Programming Languages

- Imperatives: C, Python, C++, Java, JavaScript, TypeScript, PHP
- Declaratives: Haskell, Coq, Erlang

In order of familiarity

## Tools

- OS: Linux and Windows
- Version-control: Git
- Text editors: Emacs, Vim, VSCode
- Markup languages: HTML, Latex

## Brief resume of my qualifications and interests

- General knowledge in Computer Science: solution of combinatorial problems through metaheuristics, complexity theory, parsers implementation, distributed systems and parallel programming.
- Personal interests: functional programming, type systems, property based software tests and formal methods.
- What I'm studying nowadays: TypeScript and JavaScript
