

## Education

- Santa Catarina State University - Joinville, Brazil - Undergraduate in Computer Science (2017)  
*Graduating in the Graduate Program in Applied Computing (master degree) (now)*
  - Teaching assistant of Formal Languages by two years
  - Completed a scientific initiation in non-linear dynamics systems
- Participated at Hilbert Bernays Summer School on Logic and Computation 2016 and 2018

## Languages

	Listening	Reading	Speaking	Writing
Portuguese	Good	Good	Good	Good
English	Good	Good	Moderate	Moderate

## Programming Languages

- Imperatives: C, C++, Java, Python, PHP, JavaScript
- Declaratives: Haskell, Coq, Erlang

In order of familiarity

## Tools

- OS: Linux and Windows
- Version-control: Git
- Text editors: Emacs and Vim
- Markup languages: HTML and Latex

## Brief resume of my qualifications and interests

- General knowledge in Computer Science: solution of combinatorial problems through meta-heuristics, complexity theory, parsers implementation, distributed systems and parallel programming.
- Personal interests: functional programming, type systems, property based software tests and formal methods.
